

COLOR YOUR WORLD WITH PAINT

**Class Date & Time: Saturday - August 4, 2007
 11:30am - 3:00pm**

**Class Location: GMJ Office - 4450 E. Russell Road, LV 89120
 Phone: 451-9455**

DO NOT come to 7380 S. Eastern Ave. This is my office mailing address only and there is no one there.

It is a 1 Story house that is peach in color with a terra cotta roof and a circular drive. We are on Russell in-between Mtn Vista and Annie Oakley on the North side of Russell. Across the street from us is vacant land and there is a vacant lot to the west of us.

From 95, exit Russell and turn West. Cross over Mtn Vista and we will be the first house facing Russell on the Right.

From 215, Take the Airport Interchange and exit the Russell Bypass and head east. Cross over Annie Oakley and then turn into the first "S" concrete turn in. It is the 1st one past Palm Street. We're on the Left.

From 15, either get on the 95 or 215 and follow the instructions above or stay on 15 and exit Russell and head east. At Las Vegas Blvd, make a Right and go to Sunset. At Sunset make a Left and go down to Annie Oakley. Take a left on Annie Oakley, then a Right on Russell. Then turn into the first "S" concrete turn in. It is the 1st one past Palm Street. We're on the Left.

From The Strip, Go South on Las Vegas Blvd towards to airport. Make a left on Sunset, so you'll now be heading east and have the airport on your left. Drive about 5 miles. You'll cross over Eastern Ave and a park on your right, then cross over Pecos and pass a KMart on your left, after Sandhill you'll make a left on Annie Oakley, then a Right on Russell. Then turn into the first "S" concrete turn in. It is the 1st one past Palm Street. We're on the Left.

Park perpendicular to the front of the house and enter thru the front door

Color Your World With Paint

Class Description: Are your walls still winter white? Do you love all the colors that you see in model homes? Would you like to learn what colors you can add to your home? This course will teach you how to use color by learning to decorate past the fear and bring color to your world with paint. Painting can be an easy and inexpensive way to change your entire house one room to every room! This will be a hands-on class where you will select paint colors for your home.

Items to bring to class:

Pictures of the room you are looking to select paint for.

Fabric samples of items in that room. If you don't have swatches, bring a pillow.

If a piece of art is your color scheme inspiration bring a close up picture of the artwork.

If an area rug is your color scheme inspiration, bring a close up picture of the rug.

You need to bring something that shows the colors that you already have in your room.

If you don't have a color scheme yet, bring one item from your home that represents your favorite color, whether a piece of clothing, bath towels, flowers.....

We will select your main color and 1 accent color for 1 room.
